Exhibition Islam needs public support to fund important projects

Exhibition Islam is an independent, non-profit making, charitable organisation that specialises in promoting a greater understanding of Islam in the international arena. Exhibition Islam utilizes alternative educational resources and rare Islamic artefacts that are delivered through highly professional "museum style" exhibitions, in a modern setting that allows visitors to discover the richness and intensity of the Islamic faith in a friendly environment.

Over a period of 8 years, Exhibition Islam has achieved the following:

- Held over 850 free public exhibitions attracting over 1 million people in the UK and overseas
- Published 2 highly illustrated books, The Islam Guide and Among His Signs
- Published over 20 leaflets, used in Schools, prisons, libraries and exhibitions all over the UK. These leaflets are also in distribution internationally.
- Given out over 275,000 items of Islamic literature
- Preserved hundreds of Islamic artefacts ranging from rare Qurans, Islamic coins, text and other artefacts
- Have showcased the exhibition in 5 other countries
- Have had 10,000s of Muslims and non Muslims gain a better understanding of Islam
- Allah has also guided over 250 people into Islam through via this project.

Much of this work has been funded by a few individuals and small public donations, however we have got to a point that we have a number of ongoing projects and running costs for which we require greater support from the public.

For this reason, we are appealing for your help to help this work with whatever size donation you can help with.
